ASPIRING FULL-STACK DEVELOPER | WEB DESIGNER | POSTER CREATOR

## ABOUT

I am a BCA 1st-year student at Sacred Heart College, Thevara, Kochi, with a passion for front-end web development and creative design. Proficient in HTML, CSS, and JavaScript, I have hands-on experience creating static websites and crafting posters for events. Notable achievements include designing the IT Quiz website and managing the social media page for our college tech fest, ASTRA, which reached 104K accounts in 30 days. Additionally, I have participated in state IT fests thrice at the school level. I am actively seeking internships and part-time opportunities to further develop my skills in web and mobile app development.
